## **Club Captain – Duty Statement**

- The Club Captain will be a Management Committee member and have responsibility for Nambas adult team nominations and selections.
- Invite all Nambas members to nominate to play in all competitions Nambas is invited to participate in.
- Assess the playing ability of members who nominate to play in competitions and determine which teams should be nominated and selected. Seek assistance to determine player ability and team selections as appropriate.
- Select team members primarily on playing ability. If factors other than playing ability are being considered discuss these factors with the Club President.
- Ensure Nambas members have priority for team selection, but non-members can be considered if there is a shortage of suitable Nambas members for a team.
- Ensure any proposed teams comply with Nambas nomination and selection criteria.
- Resolve concerns regarding team nominations and selections, and if not resolved elevate concerns to the Club President.
- Provide team nominations and selections to the Management Committee before each season commences.
