Pickleball

Fees 2023

AGM 12TH NOV 2022

Thankyou to all those who attended. It was a little strange this year with several of our committee members, very unexpectantly and out of their control, were unable to make it. Still, we had more than enough members.

The committee and fees will be attached at the end of this newsletter. Minutes for the meeting is available and yet to be approved, but that will be at next year's AGM. Will leave in the club house for perusal.

Fees will not change, nor membership.

We have a smaller committee.

We are hoping to do make things simpler for the current committee and future committees.

We are proposing to hold member meetings to help with the growth of our club. Your chance to have a say, help out and build on ideas.

Transition to a fully online booking system this year with the option for members to still use keys.

Linda's Birthday celebrated 12th Nov

PICKLEBALL

We had more responses that anticipated, which is a positive sign. Our next step is to order additional equipment and have some sessions. I am hoping to have this started in January. If you know the rules and help run these sessions, please let me know. You will get a key to the sheds, court and equipment. We had 15 responses. Some players had multiple responses. From the table below we had 17 votes different to social day and 14 who would try it on a social day. Cost to be the same as social tennis. A very clear response for Monday morning, and either a Tue/Thu or Sun morning with Wed night social.

These are the early stages, so times may vary over the coming months. For now, I believe we should start a Monday group. Wed night and Thu morning. The equipment can be set up Wed night and put away Thu morning. This can help reduce pack up time. If playing both tennis and pickleball on Thu morning or Wed night, the one payment will cover both tennis and picket ball.

I was also thinking of contacting local retirement villages to entice retirees to play pickleball. If keen to help me visit local retirement villages to discuss the benefits of pickleball, let me know. We can work together to increase pickleball participation. Some of these could be interested in our upcoming clinic we are holding in Feb 2023.

	Same time as social	Cost same as social	Different Time to social	Total
Mon am			10	10
Tue am	3			3
Wed am			3	3
Wed night	3			3
Thu am	3			3
