

NORTH RINGWOOD TENNIS CLUB IMAGES POLICY

North Ringwood Tennis Club is committed to the Privacy of its members. The following policy specifically relates to the use and publication of images taken for promotional or information dissemination by the North Ringwood Tennis Club;

- For Members over 18 years of age, by entering a Club Competition or Tennis event, you are deemed to consent to use of your image unless the member denies the use of that image in writing.
- Written permission from parents or Legal Guardians must be sought for any images collected by the club of people under the age of 18 years.
- All permission forms must indicate the purpose for which the images will be used.
- All permission forms must indicate the specific form of publication for which the images will be used.
- Any publication of images, whether they be on the website or for external or internal promotional purposes, must have an individual permission form for persons under 18 years.
- No names will be attached to images used unless specific permission for each image is received.
- Images of individuals or groups may be published without permission where no recognisable facial features are seen and no names are attached to the images.
- Any outside organisations using the courts with the club's permission must seek permission from the designated club representative for permission to collect images. Any collection of images must be in accordance with the Privacy Act and not disrupt the primary purpose of the event.

This policy will be reviewed as any changes in the Privacy Act are enacted and to conform to the safety of its members.
