## Upgrading Membership Category

Members can change membership category and upgrade by paying the difference between fee levels. This may apply in circumstances where a social member decides to play senior or midweek competition. Or where a junior member plays junior and senior competition, in which the junior would upgrade to a senior membership to play in both competitions. A pro rata rate may be considered and is at the discretion of the Committee.

## Membership Pricing

Membership fees are set at the beginning of each membership year and are subject to review. Changes to membership fees are generally announced and voted on at the AGM or at the discretion of the Committee leading up to the new membership year.

## Refund Policy

Membership fees are non-refundable (even if a membership is varied, suspended or cancelled) and membership is not transferable. If a player experiences a mid-season injury that prevents him/her from playing for the remainder of the season, he/she can request a partial refund for their fees. This request must be made in writing to the Club Secretary outlining the reason for the request. The refund is at the discretion of the Club Committee.

## Tennis purposes only

You are not permitted to use the tennis courts at the venue for any activity other than recreational tennis. Professional coaching on the tennis courts may not take place, other than by Club coaches or approved persons, who have the prior written agreement from the Club.
