October 2018

Welcome to the warm season of tennis. The approaching summer is ideal for a bit of evening tennis, make sure you utilise our facilities and hire out the court in the cool evenings, the lights are easy to use. Junior fixtures are held on Friday evenings in October and November and are being held at Palmwoods on the 26th October and the 9th and 16th of November. All courts are used for Fixtures. Good luck to Palmwoods teams.

At the beginning of winter this year we had some incidents of calf muscle injuries. Royce of Palmwoods Physiotherapy has put together a Tennis Warm up chart for us free of charge. Thankyou Royce it is very much appreciated. Palmwoods Physio offer a 10% discount to Palmwoods Tennis Club members.

We recently learned of our success with a Gambling Community Benefit Fund Grant application covering costs to repaint the Clubhouse, oil the decking and railing. We are also reinforcing the fence with extra poles and installing a larger gate between courts 4 and 5. Thankyou Neil for your successful grant application.

Maybe you would like to consider being on the committee next year. It's a great way to contribute to your community, build on skills or even learn new skills. The Sunshine Coast Council are very supportive and offer workshops to inform clubs of best practices and how to achieve goals. There are 2 Workshops available in November one outlines "committee member roles" and another all about Strategic Planning. Attached

We are very grateful for the continued support of the Sunshine Coast Council through their Community Partnership Funding Program, we will receive \$3500 a year for the next 3 years. This enables us to pay for some rather hefty bills including Public liability Insurance.

We will be holding a x-mas party later in the year for all members, friends and families of the club. More details will be announced closer to the time.

Our end of month BBQ is coming up this Saturday the 28th, starting around 5.30pm after social tennis, all are welcome.

Enjoy your tennis

Robyn Combes, President, and the Palmwoods Tennis club committee
