INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF REID TENNIS CLUB INCORPORATED

Report on the Audit of the Financial Report

Qualified Opinion

I have audited the accompanying financial report, being a special purpose financial report, of Reid Tennis Club Incorporated (the Association), which comprises the balance sheet as at 30 June 2022, and the statement of comprehensive income for the year then ended, a summary of significant accounting policies, other explanatory notes and the report of the committee

In my opinion, except for the effects on the annual financial report of the matter referred to in the Basis for Qualified Opinion paragraph below, the accompanying financial report of the Reid Tennis Club Incorporated:

- gives a true and fair view of the financial position of the Association at 30 June 2022 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1, and
- is presented in accordance with the *Associations Incorporation Act 1991* of the Australian Capital Territory, and applicable Accounting Standards and other mandatory professional reporting requirements in Australia to the extent described in Note 1 to the financial report.

Basis of Accounting

Without modifying my opinion, I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the *Associations Incorporation Act 1991* of the Australian Capital Territory. As a result, the financial report may not be suitable for another purpose.

Basis for Qualified Opinion

As is common for organisations of this type, it was not practical to maintain an effective system of internal control over the completeness of revenue from cash receipts until its initial entry into the accounting records. Accordingly, my audit in relation to revenue totaling \$73,619 for the financial year (2020-21: \$58,922) was limited to the amounts recorded as being banked.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the "Code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Committee's Responsibility for the Financial Report

The Committee of the Association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the financial reporting requirements of the *Associations Incorporation Act 1991* of the Australian Capital Territory and are appropriate to meet the needs of the members. The committee's responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the financial report, the Committee is responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at *The Auditing and Assurance Standards Board* website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of my auditor's report.
