AGM

The AGM has come around again and we need as many members to attend to help with the future vision and progress of our great club. We currently have 15 members on the committee but only one parent with children playing competition.

We desperately need parents of young players to join the committee, for us to plan for the future with better representation of our younger players.

Meetings are once a month, 7.30pm to no later than 9.30pm and we only have 10-11 meetings a year.

I employ all parents of junior players to consider being a committee member as we need their input.

Any questions please feel free to contact me.
