Results

Please fill in score cards correctly and legibly. Full names of all players (at least once then first names are ok thereafter). Also details of new players and pool players must be provided on back of result card. Additional players registered in your team need to be accepted in your grade by the committee, so past performance information is essential.

Start and Finish

Teams are required to enter the court at 1pm, have a 5 min hit-up and then commence the match. If a lady and gent are present from a team they must commence the first set even if they are not the intended pairing. **If a team does not have a pair on the court by 1.05pm then the late team / player shall forfeit the hit-up time in the first set.** If a team does not have a pair on the court by 1.15pm then the late team shall forfeit the first set. Unless both captains agree to cease play due to failing light, then play must continue for 10 minutes after sunset time (or 6pm as appropriate). Any game in progress at that time is to be completed. Sunset times shall be published on the competition fixture where applicable.

Court Etiquette

Strictly no swearing, racquet throwing (serious safety issue), sledging, intimidation or discarding of a ball to court surface during play.
