COVID - 19 – Sale Tennis Club Response

With just one tiny overachieving bug our whole world changed. We hope that all of our members and friends have stayed safe and well during the COVID-19 induced social isolation. Hopefully you have all been able to care for family, loved ones and your extended community members. It's an ill wind that blows nobody any good so maybe you have found some positives like the importance of family and friends, discovered a good book, watched a long overlooked TV series, finished that jig-saw puzzle or finally got your garden in order.

We were most fortunate that by observing appropriate protocols we were able to complete the WGTA Grand Finals on March 21. However the declaration of a State of Emergency in Victoria and the subsequent DHHS Restricted Activity Directions meant that from March 23 tennis, along with all other sports, went from all GO to positively NO in just 1 day.

As a result we were required to shut down our night pennants and Monday ladies pennants that were mid-season. (For those that have already paid their night pennant and ladies pennant fees our General Committee has resolved to give a 2/3 credit of pennant fees to be offset against next season.) Club Coach Anthony Zafiris also had no choice but to shut down coaching with all lessons coming to an end in March. We were also required to close our clubrooms and restrict the number of people playing social tennis on court at any time.

We were delighted that in May we were allowed 10 players on court and then in June this stretched out to 20 so we were at least able to get a hit of social tennis in the evenings. The latest announcements mean that barring something unexpected we will be able to resume normal night pennants and ladies pennants from July.

Night Pennants – Time to Get Your Name on the List

Night pennants were due to head into finals during June but unfortunately COVID-19 got the better of us.

Fortunately, barring a second wave, Night Pennants will recommence in mid-July, 2020. Night pennants run on Tuesday and Thursday nights with play commencing at 7.00 pm and finishing around 9.30 pm.

Sign up on the player lists that are displayed at the clubrooms. Night pennants cater for players of all standards and teams are graded on ability to ensure an even competition. With our courts now lit with electricity that we make and store onsite, Sale Tennis Club can cater for up to 48 players per night so get in early, bring as many friends as you can, and enjoy the fun.

Remember night pennants are designed to cater for players of all standards. If you require any further details about night pennants or to get your name on the player lists or the fill-in list please email theelms82@outlook.com or contact the following:

Coach's Column

Coaching will resume at Sale Tennis Club as of the first week of Term 3. Due to the increased interest in tennis lessons I will have to alter lesson times to cater for as many people as possible, while still delivering a high quality service. During the Term 2 holidays I will contact all clients from Term 1 and Term 2 coaching to confirm days and times for Term 3.

During Term 2 I have coached many private lessons from my home court, which I'm very fortunate and thankful for. The Sale tennis family is growing and we're doing big things and I'm looking forward to an exciting Term 3, leading in to summer comp.

Junior Report

What a year it has been – new coach, new clubrooms, same court juggle but overall a really successful season for Sale Juniors.

We had a number of players reach the ripe old age of 18 prior to the summer season or leave for other sports which gave us a target to fill from new players and we managed to net out at roughly the same numbers. Team structures changed in the lower sections this year, which resulted in 13 teams fielded in the WGTA junior competition.

6 teams made it to finals and we took home 2 flags in Section 1 and 3. Conduct was impressive across our players and the season ran relatively smoothly despite the continuing construction zone.

A big thank you to all parents for transport, scoring and support. In particular the team managers: Scott Pearce, Carmel Elliott, Tracey Donaldson, Chris Boxall, Andrew and Kristan Bertino, Rieki Schumski, Masami Gould, Tracey and Andrew Nicholas, Nick Levchenko, Paul and Rachel Johnson and Leanne Evans.

The canteen is an important fund raiser for the Club and the input of parents is much appreciated. A big shout out to Carmel Elliott for taking charge of this area, making sure the kitchen was stocked and operational each week and for the years of dedication she has given to the canteen. Carmel has hung up the tongs for the last time but we are fortunate to already have a volunteer to be the new kitchen master for next season. More of this closer to the new summer season.

Our awards for the season were presented at the end of the season with the recipients as follows.

Season 2019/2020 Junior Awards

First Season Star	Oscar Miller - Exceptional performance through the pennant comp – great stats and improved capabilities
Most Improved	Zac Gunn - Taking on the challenge in Section 2 and developing most consistently throughout the season
Sportsmanship	Imogen Leahy - Impressive attitude and fair play throughout the season
Sportsmanship	Pearl O'Connor - Stepping up when needed, supportive, displaying great conduct on court both in Juniors and Seniors
Most Determined	Riley Nicholas - Positive approach, encouraging others in the team
Most Determined	Amira Gunn - Willingness to play and improve – given a tough challenge and has risen
Future Club Hero	Ted Bertino - To be encouraged to continue his tennis development and be a star of the future for the club
Paul Egan Award	Sen Goold - Stats, conduct, utter gentleman on and off court, pursuing his tennis in every way possible

Congratulations to Aden Best and Baxter Pearce for representing themselves and Sale Tennis Club at the Australian Open as Ballkids – a great experience was had and an example set to future volunteers for this prestigious event.

Finally we welcomed Anthony Zafiris into the coach's position this year and it was impressive to see how well he took on the coaching load and developed strong connection with our juniors. A big thanks to Anthony for growing the Hot Shot numbers and encouraging our next gen members – with the assistance of Masami Goold throughout the summer season.

We go into the next season with impressive capabilities and a strong desire to grow and improve the junior ranks – we will see how the Covid-19 curve ball impacts the pre-season and 2021.

Junior President

Junior Awards – March 11

A huge congratulations to Sen Goold, the inaugural winner of the **Paul Egan Award**. After Paul passed away last year the Club was keen to ensure that his legacy was not forgotten. Kaz and Paul's parents, Ann and Bill, were super supportive and helped to make it all possible. Our junior team managers and committee members were invited to nominate worthy recipients and Sen was the stand out nominee.

End of Season Function

Our end of season function fell victim to the COVID-19 social distancing rules that were introduced 5 days before the due date of Sunday, March 29. What a bother!! We missed out on our social tennis and the end of season presentation of 3 set winners and our Female and Male Player of the Year and our Team of the Year.

However **Graze Family Bistro** still provided our 3 set winner prizes. Every player that won 3 sets in any of their matches last WGTA season went in the draw to win a \$20 Graze Family Bistro voucher. Congratulations to our lucky winners:

Tim Dunnett, Robin Lowe, Ian Wrigglesworth, Sen Goold, Jo Rule, Anthony Zafirris, John Meade, Po Wongsawat, Norbert Fuessel, Carmel Elliott, Kate Hanratty, Brooke Marshall, Masami Goold, Jacky Richards, Mia Goold, Tom Eason, Steve Farley, Nok Pate, Sam De Boer, Faith O'Connor, Pearl O'Connor, Ben Elliott, Georgia Roberts, Kaz Deschepper, Matt Conn, Damien Theobald, Andy Pate, Anne Crisp and Jo Mactier.

Sale Central Storage returned for season 2019/20 as the sponsor of the **Sale Tennis Club Senior Player and Team of the Year**. The competition was hot for every spot and it was tight at the top so it was an exciting "race" to the end of the season.

Wellington Gippsland Tennis Association Finals Highlights

With so little sport played since the introduction of social distancing and other COVID-19 transmission reduction measures on March 23 it is opportune to reflect on the good fortune that Wellington Gippsland Tennis Association had in finishing its junior and senior grand finals on March 21. The tennis community is to be congratulated for adapting so quickly to the initial social distancing rules and enabling the finals to be completed.

One highlight of the grand final series was the performance of Sale Juniors, Georgia Roberts and Sen Gould. Georgia and Sen were members of the Sale Hawks Section 1 team that finished on top of the ladder and won the first semi-final against Heyfield to move directly into the Grand Final. They were also members of the Sale Section 3 team, Sale Orange, who finished second on the ladder and beat top team Longford on their home court in the semi-final, to move into the Grand Final.

In the junior Grand Final Sale Hawks carried all before them running out convincing winners against their opponents Longford Emus. Both Georgia and Sen won all three sets for the

morning and were delighted to join teammates Hunter Pearce, Murray Casella-McLaren and Jack Prestney in having their names inscribed on the 2020 pennant flag.

Not satisfied with this fantastic achievement both Georgia and Sen fronted up again an hour later for Sale Orange in Section 3 to play Longford.

Georgia played as the Number 2 for Sale Orange alongside her Number 1 Nok Pate and Number 3 Pearl O'Connor and had a great day, winning all of her 3 sets. Pearl O'Connor played Section 2 on Saturday mornings and was also successful with all 3 of her sets in the final.

Sen played Number 3 with his teammates Sam De Boer and Andy Pate and was also successful in winning all of his 3 sets to help his team to claim victory and lift the WGTA perpetual trophy and pennant flag.

It was a great whole of team effort and it was fantastic to see how the junior and senior team members developed and bonded together as a competitive and cohesive group.

It is unknown if the feat of 2 WGTA Grand Final wins on the same day in the same team has been achieved before but, if it is has, Georgia and Sen will have joined some very celebrated company. It is really encouraging to see leading WGTA juniors playing senior tennis on a Saturday afternoon and even better to see them enjoying Grand Final success. Surely this is a model that we must attempt to replicate and encourage wherever possible if we are to see Saturday senior pennant numbers return to more viable levels.

Well done to Georgia, Sen and Pearl for a great WGTA Grand Final day that capped off a great season. It is a tribute to their hard work and dedication to their tennis.

Redevelopment Update

Our clubhouse redevelopment is virtually complete. A huge thank you to RAL Constructions, our builders. The building is beautifully presented and RAL have worked hard to provide us with a fantastic space that will be enjoyed by generations to come.

Unfortunately our courts have not been as successful and we are now waiting on an independent assessment from project engineers, SportEng, as to what went wrong.

This assessment is due to be completed by the end of July and we can then chart our way toward a successful outcome with the help of our project partners. While we are very disappointed that the surface has not provided our members and the community with the courts we have all waited so long for we have not wavered from our original goal. We remain determined to deliver a tennis complex that will make all of Gippsland proud, including a world class red porous surface on our 12 new courts. Look out for some good news in our next newsletter.

Annual General Meeting Outcomes

Our 70th Annual General Meeting was held on Wednesday, May 20.

Senior Committee Office bearers for the 2020/21 season are:

President:
Robin Lowe

Vice President:
Murray Fitzclarence

Secretary:
Sonya Stephenson

Treasurer:
Karen Pollett / Karen Deschepper

General Committee:
Di Arnot
Andy Pate
Anthony Zafiris
Kurt Best

Club Captain:
Tim Dunnitt

Ladies Committee Representative:
Debbie Jackson

Junior Committee Representative:
Kurt Best

After three years on General Committee **Jason Page** retires due to being posted interstate. Do our Defence Force bosses not understand how disruptive this is to his sport and our administration capability?

We have been fortunate to welcome **Andy Pate** onto our General Committee. Andy has taken on the communications role and is now looking after our “socials” and website.

We thank all members of each of our 3 committees for their enthusiasm and commitment as we seek to make ours the best club it can be.

Membership fees for 2020/21 were set as follows:

Membership Category	Fee	
Senior	\$175	There is <i>no increase</i> in Membership fees from 2019/20. In fact membership fees remain unchanged since 2008. For simplicity of administration the Maintenance Levy has now been incorporated into the Membership Fees. However there will still be a reward for coming to our working bees in the form of a venue voucher to be given out on the day. (<i>The next working bee will be in August 2020.</i>)
Junior/Student	\$120	
Family	\$450	
Pensioner	\$120	
Social	\$ 50	

It is critical that everyone understand that it is the objective of our Club to make tennis available to absolutely everyone. Therefore if our fees are causing financial hardship to any member, or potential member, we would be happy to provide an instalment program or to discuss any other means of making their membership more affordable. Club President, Robin Lowe, can be contacted for a strictly confidential chat on 0418 514 788 if fees are an issue for anyone.

A full copy of the Presidents Report for 2020 will be available on our website.

The Dahlsens Challenge 2020

V's

saletennisclub

Sale Tennis Club travelled to Bairnsdale on Sunday March 1 to try to win back the Dahlsens Challenge Shield.

A total of 60 players competed in the Challenge, which is played bi-annually and involves both junior and senior players competing on behalf of their Club and town.

Like the Davis Cup, each town has a Captain, being the respective club professional coaches, Anthony Zafiris from Sale and Gavin McCoy from Bairnsdale, who pick the overall teams and individual match ups.

On a perfect autumn day the competition started with a round of singles. The juniors relished the chance to showcase their skills and the standard of tennis was a credit to them all. The improvement achieved by the children over the past season has been remarkable and the tennis was captivating for those that assembled to watch.

The Sale seniors however were finding the singles court just a little too large to cover without the help of a partner. The result of all of this was that Bairnsdale finished the singles round with a convincing lead.

The next round was a doubles rubber and the seniors were thankful to be back in more familiar territory. Some entertaining tennis saw Sale narrow the Bairnsdale lead to put them within striking distance.

After a hearty lunch put on by the Bairnsdale club, the players returned for the final rubber with the Dahlsens Challenge trophy firmly on the line. At the completion of the final matches Bairnsdale Tennis Club was declared the overall winner, 30 rubbers to 27, retaining the shield that they had won last October.

The afternoon ended with the two coaches playing a singles match in front of an enthralled crowd. Anthony Zafiris served first and games remained on service until McCoy was broken in the 6th game. However he broke back immediately and then held serve to level at 4 all. 2 more service holds brought the score to 5 all before Zafiris held serve and then broke McCoy to take out the set, 7 – 5. The tennis was exceptional and the spectators, especially the children coached by the respective players, were inspired by the stroke play.

Ken McGarvie, Branch Manager of Dahlsens in Bairnsdale, was on hand to present the Dahlsens Challenge Shield and the Best Player awards for each team. The individual award winners were:

Best Junior: Bairnsdale – Will

Sale – Mia Goold

Best Senior: – Bairnsdale – Duncan

Sale – Michelle Eustace & Christine Shingles

Events such as the Dahlsens Challenge are important for the development of junior players in regional areas as they provide a rare opportunity for them to be part of a larger team representing their Club and to compete with and test themselves against their peers from other areas.

The Sale Dahlsens Challenge Team – They may look happy here but most of them are still stuck in Bairnsdale - they were not allowed back on the bus after losing the Challenge Cup.

Working Bee

There hasn't been that much to be excited about over the past few months but there was at least one thing. Before isolation and social distancing we had 27 men, women and children at our working bee on March 11. There is a group of people who come to almost every working bee and they are just "pure gold" for our Club. However they were really pleased to see some new faces come along to share the load and we got a large number of important projects done.

Lucky we got the working bee done in early March or it would have been illegal under the restricted activities directives.

This area to the right is now fully grassed after the autumn rains and trimmed perfectly by our lawn man, Rob Tatterson.

There was one job that we did not get done. Is anybody good with a paint brush or roller? Brian Lazzaro very kindly patched the plaster in our new tournament box (Thanks Bryan!) but we did not have enough time to paint it. It needs an undercoat and a couple of coats of classic ceiling white. A volunteer would be greatly appreciated. Call Robin on 0418 514 788 if you can help.

Our syzygium hedge took an extreme "haircut" during the working bee. It has since bounced back and is now showing signs of looking spectacular come spring time. Next time we will not let it get quite so exuberant, but we do enjoy the windbreak, shade and greenery of our hedges.

Sale Tennis Club Apparel Range

We may not be able to compete at the moment but when we can you will want to look your best. We are pleased to report that we have made some important additions to our Sale Tennis Club apparel range. We have added a jacket, a unisex hoodie and a cap to the existing polo, T-shirt and singlet.

Payless Promotions has assisted us to introduce a new range of tennis gear for **both juniors and seniors**. The first 2 deliveries of uniforms has already arrived and look very smart indeed.

Payless Promotions have established an E-Store to allow club members to order the new clothing items on line. Below are pictures of the items available:

Left: Polo - \$27.50
Right: T-shirt - \$22.00

Left: Singlet Top - \$18.70
Right: Jacket - \$55.00

Left: Hoodie - \$46.20
Right: Cap - \$15.50

We are keen to see as many players in Sale Tennis Club colours as possible. The garments will come complete with the Sale Tennis Club logo and can be personalised with your own name at extra cost.

There is an example of some of the new tops on display in the Clubhouse to see and feel. If you would like to try on any of the items before you order just drop down to Payless Promotions at 1/11 Foster Street, Sale and they will have samples that you can try before you order.

To place your order go to: <https://paylesspromotions.com.au/> and then click on the Client Store LOGIN in the top right corner of the screen and enter the login code **saleten_2019** If you have any issues please phone Courtney or EJ at Payless Promotions on 1300 658 610 and they will be happy to give you a hand.

We look forward to our members wearing their new uniforms with pride.

Out & About

Save the Date – October 11 is the new Life Members Day

Life Members Day for 2020 will be held on **October 11** this year, nearly a month later than usual. This has been done to ensure that the redevelopment and upgrades are all finished and we are putting our “best foot forward” after over 2 years of continuous works around the Club. Mark your diary and we hope to see a huge crowd again in 2020 to honour the Best and Flint families and all of the rest of our celebrated Life Members, old and new. We are anticipating a great day out on and off the court at our 16th annual Life Members Day. This year will be very special as it will mark the 70th anniversary of the formation of Sale Tennis Club. Our very first office bearers in 1951, WF McLoughlin, W Gay and C Fogg, could not possibly have imagined what our Club would grow to and how good our facilities would become - eventually.

Save the date and we will release more information on our celebrations as we get nearer to the big day.

Bairnsdale Labour Day Tournament

The Brooker Builders Labour Day Tournament was conducted from March 7 to 9. Sale Tennis Club were well represented with the Pate's, Goold's, Nicholas's and Di Arnot achieving some great results. Sen Goold won the 14 & Under Singles and doubles, Sen and Mia Goold were semifinalists in the C Grade Mixed Doubles. Di Arnot and Masami Goold won the Over 35 Doubles, Masami won the Over 35 Singles and Nok Pate was runner up, with Masami backing up again to win the B Grade Doubles. This wonderful family friendly event saw players come from all over the state, some amazingly good tennis and an enjoyment level that only a country club can provide.

Tennis Victoria's Regional Team Events

Tennis Victoria's Regional Team Events provide players with an opportunity to represent their local Country Tennis Region. For information on how to get involved contact Anthony Zafiris or Kurt Best. Event dates are all in the **Calendar of Events**. Further information is available at: <http://www.tennis.com.au/vic/players/tournaments-and-events/events/regional-team-events>

For more information on any part of our junior tennis programs and especially the Regional Teams Events please contact Anthony on 0403 724 796.

Wellington Shire Community Infrastructure Plan

Sale Tennis Club has provided a comprehensive response to the Wellington Shire Community Infrastructure Plan. Wellington Shire is developing a Community Infrastructure Plan and is undertaking research to understand the need for community buildings and places in Wellington.

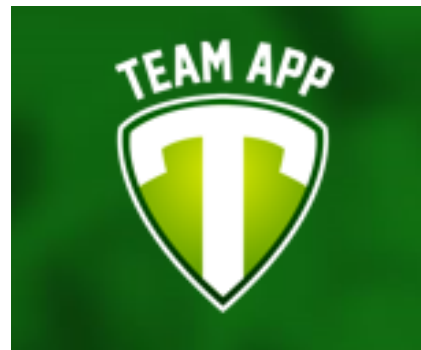

Council wants to know what community buildings and places are used by the community to participate in activities like meetings, events and functions, exercise, community arts and culture, training, social recreation or hobbies and community education such as short courses.

The feedback will be used to understand the importance of buildings and places that support community activities and include town halls, aquatic, leisure and sporting facilities, early years facilities, youth spaces, parks and public open space, libraries, neighbourhood houses, community centres, cultural facilities and senior citizens centres.

Not surprisingly we emphasised the importance of Stephenson Park to the Sale community. We eagerly await the study findings due out later this year.
