From your Tennis Club Committee

## Recent photos of Bree's Holiday Program and our Thursday morning social tennis participants

On behalf of the Committee, I want to welcome all our 2022-23 new members to our club. We have a big group of Junior players in BRTA competitions this year in A, B and C grades.

We have nearly 50 New Junior Coaching Members, thanks to the outstanding coaching work of Bree Smith from Breeze Tennis Academy. For those Junior Coaching Members who signed up in Term 4 2022, we also offered complementary court access for the 2022-23 year, as an initial welcome to our tennis club and Bree's Coaching classes.

- We have added a new cover to gate 1, to replace a damaged cover. this has the number pad duplicated on the outside of the lock to make entering the code easier.

## SOCIAL TENNIS OPPORTUNITIES AT STRATHFIELDSAYE TENNIS

We have Social Tennis on Tuesday evenings at 5pm for all comers!

Cost is \$5 for non-members and \$2 for Members. We play until it is too dark to continue!

We also play Veterans' tennis Thursday mornings at 9am until 11am. There is usually a large group at this session with plenty of variation in skill levels, so all players are both welcome and will enjoy the tennis and morning tea supplied. Again the cost is \$5 for non-members.

## REBUILDING PLANS FOR STRATHFIELDSAYE TENNIS COURTS.

We are currently working with the Greater Bendigo City Council engineering staff to replace the current courts with new courts.

The current projected timelines for these new courts, on the existing site, is for the 2024-25 financial year.

At this stage, Courts 1,2 and 3 will be replaced first. The new courts will include lighting which will be a big advantage for us all, particularly for our contracted coach, Bree Smith, who will then be able to extend her coaching hours later in the day.
