7. GENERAL BUSINESS

- Front Court Drainage Issue - Sam advised Committee are aware of the issue and there are short-term and long-term fix options. To fix long term this is an expensive exercise and requires capital expenditure. Committee investigating scheduling for January 2025.
 - Ball machine use on Courts – member advised that people are bringing ball machines onto courts for usage and wanted to know if this is allowed. Megan and Victor advised that currently they are not allowed which is in the members pack on sign-up. Use of ball machines cannot impact commercial relationship with our coach who rents courts. The use of machines for personal use will be tabled for review at the next Committee meeting and members advised.
