The AGM held on 14 September was well attended. The outgoing committee was re-elected with the addition of two new members, Merri Mack and Geoff Jacobs. I welcome them to the committee. The full committee is listed later in the newsletter. In the coming months, we will be proceeding with LED floodlight installation on court 1 and rejuvenation of the grass surfaces on all five courts. At our request, the Council has carried out a lighting pole inspection to determine pole integrity before the lighting works are carried out. This report has shown that the two poles on court 4 are badly rusted and need replacing. It is intended to do this replacement in conjunction with the lighting works on court 1. The cost of the above works is in the order of \$30,000, including \$7,800 for the pole replacements. We have applied for a Commonwealth Government grant to help fund the costs and has been allocated \$6,000, pending approval. We will also approach the Council to either fully pay for or assist in the cost of the pole replacements on court 4. Later in the 2020 year, grants will be sought for the replacement of the 22 year old metal halide floodlights with LED floodlights on courts 2, 3, 4 and 5. Members will be kept informed on progress. Our annual Christmas Party will be held on 14 December and Sue Moore has arranged a spit roast at the Club. It should be a great night and I look forward to seeing you there.

Enjoy tennis.

SOCIAL TENNIS FOR MEMBERS

Saturday Afternoon Social

Commences at 1:00pm continuing until the sun goes down or until the desire for a drink and some socialising overtakes the desire to play tennis. Matches consist of doubles, mens, ladies and mixed. Why not come along and have a set— you will enjoy it! Many thanks to Ross Kempshall who regularly mans the board and has the challenging job of placing players on court and providing everyone with a fun afternoon of tennis.

Tuesday Night

Commences at 7.00pm and continues until either weariness or lights out at 11.00pm bring proceedings to a close. All social tennis is free to members and this includes use of the court lights and tennis balls that are provided by the club. Numbers and standard has been progressively increasing which makes for a great nights tennis. Many thanks to Margot Tredinnick who co-ordinates weekly communication via email to regular players. If you would like to be included on the Tuesday Night Social email list please let Margot know.

Head Coach Report

The school holiday program had the highest number of kids in the last two years, with an average of 20 kids per day during the two weeks program.

The hot shots program plus the adults group lessons are still growing in numbers and the level of the players are also getting better.

I have started a club pro qualification course with Tennis Australia, which will bring more knowledge, updated drills and technique corrections to the program at Terrey Hills.
