February 2020

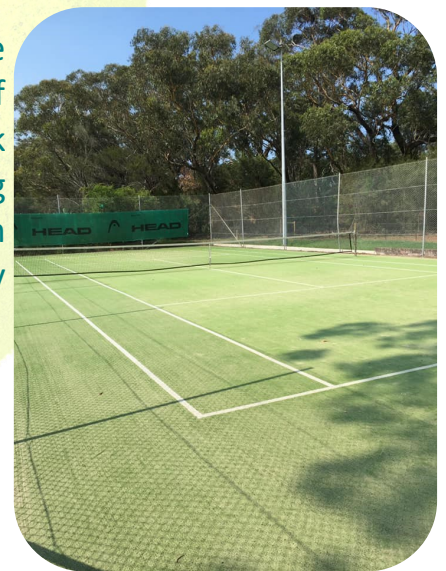

Hi Members

The Club Australia Day sausage sizzle held on Saturday 25th January on a hot day was well attended and enjoyed by members who enjoyed the celebration. Thanks to Sue, Carolyn and the other members who arranged the day.

In regard to works at our club I am pleased to report that four fence poles on court 2 have been replaced. Also the synthetic grass surfaces on all courts has been groomed and rejuvenated which will help extend their life. They look great as can be seen in the photo.

A Commonwealth grant has been received and the Northern Beaches Council has agreed to share the cost of replacing two rusted light poles on court 4. This work together, together with the installation of LED flood lighting on court 1 and relamping of the metal halide floodlights on courts 2, 3, 4 and 5 will be done in late February early March. Things are happening.

Enjoy tennis

SOCIAL TENNIS FOR MEMBERS

Saturday Afternoon Social

Commences at 1:00pm continuing until the sun goes down or until the desire for a drink and some socialising overtakes the desire to play tennis. Matches consist of doubles, mens, ladies and mixed. Why not come along and have a set— you will enjoy it! Many thanks to Ross Kempshall who regularly mans the board and has the challenging job of placing players on court and providing everyone with a fun afternoon of tennis.

Tuesday Night

Commences at 7.00pm and continues until either weariness or lights out at 11.00pm bring proceedings to a close. All social tennis is free to members and this includes use of the court lights and tennis balls that are provided by the club. Numbers and standard has been progressively increasing which makes for a great nights tennis. Many thanks to Margot Tredinnick who co-ordinates weekly communication via email to regular players. If you would like to be included on the Tuesday Night Social email list please let Margot know.

Coach's Report

The summer school holidays tennis program was a great success at Terrey Hills. There were 5 camps held and we had on average 20 kids per day with two coaches running the lessons. The hot shots program plus the adults group lessons are still growing in numbers and the level of players is also improving.

Some players who are showing good development and passion for the game are being encouraged to join our performance squads together with private lessons. We are working towards building a strong tennis program, offering a performance pathway for kids who want to become professional tennis players. I am about to conclude my club pro qualification course, which will be extremely helpful in improving the coaching to another level at Terrey Hills.

It is pleasing to see several club members having a lesson and improving their tennis. If you would like to arrange a lesson please give me a call on 0452357550
