- **Bagging of Courts** - Courts are to be bagged at the **END OF EVERY SET**. This will help maintain our courts and ensure an even bounce. Let's keep our new courts in the best condition we can!
- **Junior Court Supervisors** - it is compulsory to wear the ERT hi-vis vest at all times. ERT are doing spot checks and issuing fines if clubs are non-compliant.

FUTURE LEADERS

Josh & Shae recently attended a 4 day training camp, hosted by Tennis Victoria, aimed at developing leadership skills and bringing new ideas and projects to their club. They are in the process of planning the Parent/Child tournament and the Senior Club Championships - keep an eye out for upcoming details and support our young leaders in these wonderful, club based projects.

HELP REQUIRED

Our club relies on volunteers to help in many small and meaningful ways. We are seeking assistance for the following roles:

-  **Grant Applications** - we have many templates and previous applications to assist with wordings
-  **Blowing of courts** - Stuart already does this on a Friday, but another person is required to help out (blower is provided)
-  **Junior Convenor** - Diana is seeking assistance with this role
